

EasyMailouts.com

Simple to use Affordable Email Marketing from £5 a month!

Start email marketing quickly and easily!

- **Keep in touch with customers and prospects using newsletters, special offers etc.**
- **Send personalised mail outs, each email says Hi John, Hi Jane, etc.**
- **Personalised content. Each email can in addition say something personable such as "It was good meeting you last Thursday".**
- **Import your own list(s).**
- **Use our servers.**
- **Multiple use - as well as for sales can use different lists to contact friends or employees about Christmas party etc.**
- **Email backup. Are you sometimes not able to send emails? Now you still send individual emails or mail outs using your existing email address as from email address.**
- **Email when you want, and not limited by the number on your contact list etc.**
- **Can automatically schedule emails to be sent by day eg send every Friday or by date etc.**
- **Send text or HTML emails, or use our simple to use templates.**
- **Other business tools included eg Word and jpeg to pdf.**
- **Try it for FREE, no credit card needed**
www.easymailouts.com/
- **Six month contract at this low price - longer if you want it!**

Remember if you're not using email marketing to promote your business, it's quite likely your competitors are!
